III. BRIEFING ON TAX CREDIT PERMANENT REGULATIONS - Amy Lemisch / Nancy Stone

CFC Director Amy Lemisch and Tax Credit Program Director Nancy Stone updated the Board on the regulatory process for the Permanent Regulations and Agreed Upon Procedures (AUP) noting the dates for the 45-day and 15-day public comment periods.

The CFC received multiple comments in support of the change to the definition of “production facility” and a few comments regarding the AUP. Some of those procedures were revised based on the comments.

The changes to the Regulations made after the 45 day comment period were limited to the revised dates of the forms and AUP. The Expenditure Summary Reports and AUP Exhibits A-1,A-2, A-3 all have been updated and re-formatted for clarity and easier use by approved applicants. The AUP was improved with more precise instructions, Non-Qualified Expenditure testing, and added procedures for Out of Zone Total Consumables, Digital asset testing, and additional out of zone expenditure sampling.
