

Out-of-Zone County Tags

Applicants filming outside Los Angeles County must fill out a “Local Community Expenditure Report” available under Phase IV Expenditure Summary Report in the application portal. This applies to any expenditures outside of LA county where filming has occurred; there is no minimum spend amount. The applicant must complete this section once the project has finalized expenditures in the county. The California Film Commission has prepared the suggested OZ tagging methodology below for productions filming in numerous counties within the state of California. Out-of-zone filming also affects projects’ jobs ratio score as well as any applicable uplifts.

Alameda AL	Kings KN	Placer PL	Sierra SR
