295 - Test #25 Rejected

Upload Insurance & Supporting Documents

+ Add File

No files.

Complete Return to Summary Screen

You must upload documents that include general liability coverage, the Additional Insured Endorsement and either Workers Comp or the Waiver of Workers Comp Letter in order to finish this section. If you are using a drone, upload all the required documents here, either together in one pdf or separately.

Your CFC Coordinator will review the documents before they mark it complete.
