

California Film Commission PRODUCTION ALERT

DATE: June 26, 2017

State Parks Changes Minimum Hours for Monitors

In order to ensure wider availability of park personnel to monitor complex film shoots, beginning, July 1, 2017, California State Parks will be increasing the minimum number of hours required for monitors from 4-hours to 6-hours. In addition, to put them on a par with other state agencies, the mileage rate for park vehicles used by park personnel on film shoots will be raised to \$.76/mile.

The California Film Commission and our state partners work together to make state properties available for filming throughout California.

Thank you for your cooperation.

About the California Film Commission

The California Film Commission (CFC) enhances California's status as the leader in motion picture, television and commercial production.

A one-stop office for filmmakers, the Commission supports productions of all sizes and budgets. In addition to managing the Film & Television Tax Credit program, services include an extensive digital location library, free online permitting, low cost use of state properties as shooting locations, and production assistance.
