

California Film Commission PRODUCTION ALERT

DATE: May 17, 2017

State Parks Parking Fee Increase

State Parks in the Angeles District will be raising their parking fees for filming activities.

Beginning June 1, 2017, productions will be charged 1.5 times the going rate for each parking space they use, (e.g., if regular rate is \$10/space/day, productions will be charged \$15/space/day). This change reflects an attempt to recover lost revenue when spaces are not turned over during the day as with normal public use.

About the California Film Commission

The California Film Commission (CFC) enhances California's status as the leader in motion picture, television and commercial production.

A one-stop office for filmmakers, the Commission supports productions of all sizes and budgets. In addition to managing the Film & Television Tax Credit program, services include an extensive digital location library, free online permitting, low cost use of state properties as shooting locations, and production assistance.
